STUDENT'S RIGHT TO CANCEL

A student has the right to cancel his or her enrollment agreement for a program of instruction, without any penalty or obligations, through attendance at the first class session, or the seventh day after enrollment, whichever is later. After the end of the cancellation period, the student also has the right to stop school at any time, and has the right to receive a pro rata refund if the student has completed 60% or less of the program.

Cancellation may occur when the student provides a written notice of cancellation to the school, or by the student's conduct, including, but not necessarily limited to, a student's lack of attendance. The written notice of cancellation, if sent by mail, is effective when deposited in the mail properly addressed with proper postage. The written notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that the student no longer wishes to be bound by the Enrollment Agreement. Enrollment time is defined as the time between the actual starting date and the date of the student's last day of physical attendance in school. The student's refund rights are described in the contract. If the school closes before you graduate, you may be entitled to a refund.
